The Institution

Bharatiya Shiksha Shodh Sansthan, an apex Research Institute of Vidya Bharti, came into existence in 1980 by the inspiration of Honourable Sri Bhao Rao Devras ji. It is situated at Saraswati Kunj, Nirala Nagar, Lucknow. It has a three storeyed building having a rich library with a reading room and has sufficient number of books on Education, Indian Philosophy, Psychology, Political Science, Educational Technology, and Research Methodology along with Dictionaries, Encyclopaedias, Educational Journals and Survey Reports etc. The Sansthan has well equipped Psychology Lab with a number of Educational and Psychological test materials and tools/equipments. The guidance & counselling Cell of the Sansthan helps citizens as well as students in solving their educational, vocational and personal problems.

The institute's campus has a Conference Hall and an Auditorium for conducting Meetings, Seminars, Workshops, Orientation Programmes, Lectures etc. The institute has sufficient infrastructural facilities along with internet facility.

A half yearly, bilingual Peer Reviewed Journal *Bharatiya Shiksha Shodh Patrika* is being Published regularly since 1982. Previously the Journal was included in UGC-CARE list and at present it is funded by ICSSR.

About the Seminar

India's rich and diverse knowledge system deeply rooted in its ancient civilization represents one of the most significant contributions to global intellectual heritage. The Indian Knowledge System (IKS) is a vast canvas that encompasses a wide array of disciplines including Vedas and Upanishads, Ayurveda, Mathematics, Linguistics, Astronomy, Yoga, Arts and Architecture. These disciplines have not only shaped Indian society but influenced global thought. Today, as the world faces unprecedented challenges, there is a renewed interest in revisiting and revitalizing these ancient systems, exploring their relevance and harnessing their potential for contemporary applications.

The aim of this seminar is to bring together experts from different fields to explore, collaborate and engage in meaningful dialogues, through panel discussions, paper presentations and interactive sessions, This seminar may provide valuable insights into how the revival of the Indian

Knowledge System (IKS) can contribute to a more comprehensive, sustainable and inclusive learning environment for future generations. The National Education Policy (NEP) 2020 also recognises the significance of IKS and aims to integrate it into modern education to foster holistic and multidisciplinary learning.

Objectives

- To create awareness about the richness of IKS.
- To connect ancient wisdom with present day Education.
- To encourage research and innovation in traditional Knowledge.
- To promote holistic learning combining science, Ethics and culture.
